Bendele-Rothe.

One of the prettiest home weddings of the new year took place Wednesday evening February 4th, at four o'clock, when Miss Dora Rothe became the bride of Mr. George J. Bendele, at the home of Mr. and Mrs. Geo. Bendele. The ceremony was performed by Rev. A. Falkenberg, pastor of the Lutheran Church. Preceding the ceremony Mrs. Ben Oefinger played the wedding march to which the bride and groom marched to the parlor.

The bride is the only daughter of Mr. and Mrs. F. J. Rothe of upper Seco, and possesses many charming graces, her friendly disposition having won for her innumerable friends.

The groom is the oldest son of Mr. and Mrs. Geo. H. Bendele of Hondo, known as a young man of sterling qualities, and is a favorite among all his associates.

The charming bride was attired in a beautiful coat suit of brown with hat and accessories to correspond, and carried a bouquet of white carnations and lace ferns, while the groom looked his best in a suit of navy blue serge.

After the ceremony the bride and groom and the guests were invited to the dining room, which was beautifully decorated in white and green, and the table was covered with lots of good things to eat, the most attractive of all was the beautiful wedding cake with a pretty white dove, horse-shoe, and wedding bell on it, which all meant good luck for the happy couple.

After supper the bride and groom left for a honeymoon trip east.

Mr. and Mrs. Bendele will be at home to their many friends after February 8th, at the home of Mrs. Bendele's parents, Mr. and Mrs. F. J. Rothe.

Poll Tax Payments.

Poll tax payments in Medina County for the year 1919 show an increase of 151 over the previous year. This is partly accounted for by the 105 poll tax receipts issued to the ladies of the county. Besides the 1504 receipts there were 56 exemptions issued which makes a grand total of 1560 permits issued to voters of the county. Of the 105 receipts issue to ladies more than half—59—were issued to ladies of Precinct No. 1, and 16, the two voting precincts in the town of Hondo, 19 of these were to ladies of Precinct No. 1, and 40 to ladies of Precinct No. 16. Following is a list of the receipts issued in each of the voting precincts of the county:

Precinct	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19
	159	111	47	18	59	147	151	7	43	67	30	95	29	39	100	206	24	24	148

Real Estate Transfer.

At a meeting of the entire Catholic congregation after the services on Jan. 18, it was decided to purchase Mr. Louis Stiegler's property which was for sale. The deal was closed this week for the consideration of \$3200.00 about 1-3 being cash payment and the balance being deferred payments. While considerable improvements on the church property are contemplated nothing has been announced for the immediate future.

Mrs. J. E. Bandy

From her home at Yancey, on January 24th, 1920, Mrs. Amanda Bandy, wife of the late J. E. Bandy, passed to her eternal award. She was born in McKinney, May 7th, 1844, and was married to J. E. Bandy in Medina county in 1866. Soon after her marriage she moved to the Bandy homestead in Frio county, where she lived as a leading member of the Tehuacana community until a few years ago. Several weeks ago she accidentally fell and received injuries from which she had never completely recovered; but the immediate cause of her death was pneumonia.

She leaves three children, two sisters, a number of grand children, and a host of relatives and friends to mourn her going.

She was loved by all who knew her, and her life was always happy and cheerful although she suffered much from physical illness during the last years of her life. She was converted in early life, united with the Methodist Church, and lived and died a consistent member of the Church. She lived to a good old age, and her life was well spent in the world. We will miss her from our midst, but by faith she has entered into a better world; and after a few years we will see her again.

C. E. WHEAT.

This picture is drawn from a photograph taken at Carnegie Hall, Pittsburgh, Pa.

It shows 2,600 musicians and music lovers listening to a direct comparison between the voice of Marie Rappold and the R. A. CREATION of that voice by the New Edison, "The Phonograph with a Soul."

This is what the Pittsburgh newspapers said next day:

"Impossible to detect any difference."—Pittsburgh Leader.

"The proof was convincing."—Pittsburgh Dispatch.

"Slowly it dawned on the astonished audience that the artist was no longer singing, though her voice came forth to them as clearly and sweetly as before."—Pittsburgh Post.

"Could not be distinguished from the original."—Pittsburgh Chronicle-Telegraph.

"Impossible to distinguish the actual voice from the reproduction."—Pittsburgh Gazette-Times.

"Matched her performance, note for note and tone for tone."—Pittsburgh Sun.

Wonderful! Yes. But this same test has been made more than three thousand times. Fifty different great artists have made the test before more than three million people.

There is but one phonograph that can sustain the test of direct comparison with living artists. It is

The NEW EDISON "The Phonograph with a Soul"

Come to our store and let us show you an exact duplicate of the phonograph that was used in the Pittsburgh comparison. We guarantee it to be equal in tonal quality and realism to the instrument used in Pittsburgh and we guarantee it to be capable of sustaining the same test of direct comparison with living artists.

120,000 STAND IN BREAD LINE

More Than 1,000,000 Face
Death Is Message Brought by
Miss Dakesian.

Imagine a bread line of 120,000 famished people waiting for twenty-four hours a day for the dole of food that is the sole barrier between them and death from starvation. That is the situation in Alexandropol, a city in Russian Armenia, according to Miss Hermine Dakesian, a pretty Armenian girl, one of the survivors of four years

MISS HERMINE DAKESIAN.

of the horrors of Turkish massacres and deportations. Saved by an American woman, she has come to this country and entered Oberlin College.

With her came fourteen other Armenian girls in charge of Miss Adelaide S. Dwight, a Near East Relief worker, who has been instrumental in helping to save hundreds of thousands of their people from death by starvation. Miss Dwight, who is not given to exaggeration and has seen conditions at first hand, says more than a million people are facing death by starvation in Armenia and will perish unless America aids.

Herself an eyewitness to the slaughter of hundreds of helpless women and children by the Turks and a victim of the deportations, Miss Dakesian, an unusually pretty girl, says there is untold suffering in Armenia and Syria. She praises the efforts of the Near East Relief, formerly the American Committee for Armenian and Syrian Relief, to save as many of these people as possible. At Erivan, the capital of the Armenian republic, one hot meal is given out daily, and by this relief alone the city's death rate has been cut from a thousand daily to an average of twenty. At Alexandropol, where the refugees from Turkish Armenia were driven by thousands, the situation is appalling, Miss Dakesian says. It is to avert these wholesale deaths that Near East Relief is making a nation-wide appeal for funds.

LIFT OFF CORNS!

Apply few drops then lift sore,
touchy corns off with
fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

Our position simply is that no Texas woman who neglected to pay her poll tax has any right to tell her husband how to vote.

CHARLES ANGLIN GAINS 18 Pounds.

Was Almost a Physical Wreck
Before Taking Tanlac —
Feels Fine Now.

"About the luckiest day of my life was when I began taking Tanlac," said Charles E. Anglin, of 152 Beale Ave., Memphis, Tenn.

"Several years ago," he continued, "while living at Jonesboro, Arkansas, I had such a terrible attack of acute indigestion that I came near playing out. My stomach was in an awful fix and I just had to be most careful about my food, and even then I suffered nearly every day. My trouble pulled me down in strength and weight till I was almost a physical wreck and had to quit work entirely. I couldn't eat or sleep to do any good and would roll and toss in misery all night long. The medicines I took gave me only temporary relief and I was soon as bad off as I was before, if not even worse.

"My wife advised me to try Tanlac, as we had been reading so much about it, so I started on it and a few bottles of this medicine straightened me out fine. In fact before I had finished my first bottle of Tanlac I was eating anything I wanted and improved so much that I was soon back at work feeling all right. I picked up eighteen pounds in weight and my clothes were getting too tight for me. Tanlac is a wonder and I don't believe it has an equal in the world."

Tanlac is sold in Hondo by W. H. Windrow, and in Castroville by Joseph Courand & Co.

One reason why nobody loves a fat man is because he tries to make everybody wait on him.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

A TEXAS FAMILY'S EXPERIENCE

Galveston, Texas:—"After the flood in 1900, all my family became rundown, due to exposure of being in the water,

loss of sleep, etc. They were all feeling miserable and the only medicine they took was Dr. Pierce's Golden Medical Discovery. By the use of this they were all restored to health and strength.

"I always keep the 'Pleasant Pellets' in my home. They are an excellent regulator of the stomach, liver and bowels, or for bilious attacks. I can speak in the highest terms of all of Dr. Pierce's Medicines."—Mrs. J. W. Moss, 3913 Ave. K, Houston, Texas:—"All my life my liver has given me considerable trouble. I have suffered with sick-headaches and have had yellow blotches appear all over my body. At one time I was so bad with it that I lost all ambition to do my housework and was really 'all in' when 'Golden Medical Discovery' was recommended to me by a friend. I took six bottles of it, which made me feel like a different woman. I consider Dr. Pierce's Golden Medical Discovery the very best liver medicine I have ever known and have no hesitancy in recommending it to those afflicted with chronic liver ailments."—Mrs. C. A. Finn, 2214 Washington Ave.

Send 10c to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package of any of his medicines.

Mr. and Mrs. W. O. Victor attended the Bee Keepers Association at San Antonio last week, when Mr. Victor had some unexpected honors thrust upon him. He was elected vice-president of the association and a member of the board of directors.

Life Was a Misery

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood . . . I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . . Nothing seemed to help me until, one day, . . . I decided to

TAKE CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain."

"It has now been two years since I took Cardui, and I am still in good health. . . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.

Stinson-Wurzbach.

A very pretty wedding took place at the Lutheran Church, San Antonio, Wednesday afternoon at three o'clock when Miss Alma Wurzbach, the accomplished daughter of Mr. and Mrs. Rudolph Wurzbach of Riomedina became the bride of Mr. Felix Stinson of Oklahoma. The attendants were Mr. Willie Wurzbach and Miss Louise Clide. After the ceremony at the church Mr. and Mrs. Stinson left on a honeymoon to New Braunfels, Austin and other points of interest. On their return they will be at home with the bride's parents for the present.

New County Judge.

At the special session of the Commissioner's Court held last Thursday, County Judge Sam O'Bryant sprung a surprise on the commissioners by offering his resignation as county judge of this county. For a moment there was silence, then someone suggested they would not accept the judge's resignation, but upon his insistence that he could no longer hold the office and do justice thereby and attend to his other duties, the resignation was accepted.

After a few moments consultation the Commissioners appointed County Attorney J. A. Eames to fill the vacancy. Judge Eames offered his resignation as County Attorney and then accepted the office, made his bond and at once entered upon his duties.—Bandera New Era.

Reason Enthroned.

Because meats are so tasty they are consumed in great excess. This leads to stomach troubles, biliousness and constipation. Revise your diet, let reason and not a pampered appetite control, then take a few doses of Chamberlain's Tablets, and you will soon be well again. Try it.

Periodic Bilious Attacks

Persons subject to periodic bilious attacks will observe that their appetite fails them just before an attack. That is, they do not really crave food but eat because it is meal time. If they will eat only a light meal and no meat, then take two of Chamberlain's Tablets the attack may be avoided.

H. A. Blatz was a San Antonio visitor this week. Henry will soon finish up his onion planting of 135 acres. He will have more than any one single farmer.—Devine News.

\$2,500 Concrete Bridge.

The first stroke on the new \$120,000. White Highway through this part of the county is being made at Natalia, where Com. Grant is putting in a \$2,500. re-inforced bridge across Ft. Ewell. Some patchwork for temporary passing is also being done on the road about Natalia. It was getting impassable.—Devine News.

For the Children.

Too much care cannot be exercised in selecting a cough medicine for children. It should be pleasant to take, contain no harmful drug and most effective in curing their coughs and colds. Long experience has shown that Chamberlain's Cough Remedy meets these conditions. It is a favorite with many mothers.

A Voice From Sioux City, Iowa, says

PE-RU-NA

Worth Its Weight In Gold

You cannot mistake the words of Mr. W. W. Northrup, of 908 Fourth Street, Sioux City, Iowa. He is enthusiastic about his present health and the merits of PE-RU-NA and wants everyone to know it. Here is a recent letter from him:—

"PE-RU-NA is worth its weight in gold and then some. I used to think it only a woman's remedy but have changed my mind. I had a cough, especially in the morning. After using half a bottle of PE-RU-NA was much better. I would cough up chunks of phlegm and mucus, my eyes itched and bothered me. Judging from the symptoms given in your almanac it was catarrh. My stomach is in much better condition since using your medicine."

"Use this testimonial, if you wish. Don't hesitate to advertise the merits of PE-RU-NA." (Signed) W. W. NORTHROP.

There are thousands just like Mr. Northrup, skeptical at first but convinced by a trial of PE-RU-NA.

DON'T BE AN UNBELIEVER.

If your trouble is of a catarrhal nature, try PE-RU-NA, then tell your friends. It is fine after an attack of grip or Spanish Flu.

should. Belching, sour stomach, bloating are symptoms of indigestion and are relieved by taking Chamberlain's Tablets as directed. Indigestion is usually accompanied by constipation and is aggravated by it. Chamberlain's Tablets cause a gentle movement of the bowels, relieving the constipated condition. Mrs. L. H. Lockhart of Del Rio, who has been visiting her parents, Mr. and Mrs. H. W. Reily, has been quite ill the past week. We are glad to report that she is better.

Mrs. T. L. Barrington went to San Antonio this morning to see her mother, Mrs. Barnes, who is in the hospital, Master Irvin went with her.

Chronic Constipation.

There are people who never have a movement of the bowels without it is produced by a cathartic. Most of them have brought that condition on themselves by the use of mineral waters and strong cathartics that take too much water out of the system and aggravate the disease they are meant to relieve. A mild laxative tonic like Chamberlain's Tablets affords a gentle movement of the bowels that you hardly realize has been produced by a medicine, and their use is not so likely to be followed by constipation.

Mrs. John Pingnot of Cline is the guest at the J. W. Reid home this week.—Uvalde Leader News.

As a general thing when a woman hasn't any troubles of her own she gets interested in other people's.

Dollars and Cents.

Counting it only in dollars and cents, how much did that last cold cost you? A man may not always stop work when he has a cold, but perhaps it would be better if he did. It takes about ten days to get completely rid of a cold under the usual treatment. That time can be much shortened by taking Chamberlain's Cough Remedy and proper care of yourself, in fact, a bottle of this remedy in the house is a mighty good investment during the winter and spring months.

Baylor was saddened Tuesday
upon learning of the sudden
death of Clyde Ward, a member of the

his temperature was very high

Ward's parents are consistent work-
in the Baptist church, his father
one of the deacons and founders
the church at Yancey. It was
from Clyde's former pastor
he became a Christian early in
and was looked upon as a son who
depended upon by his father
all times. It is said by people from
home town that he had the deepest
respect for his parents, and that he
looked upon as a boy who stood
the right and for fair play.

Clyde finished high school at Yancey.
the outbreak of the war he en-
in the regular army and was
to the Motor Transport School at
M. college. When the armistice
signed, he returned to his home
remained there until he entered
San Marcos Academy in January of

Although he was at San Marcos only
months, his record there is worthy
notice. Besides being a good stud-
ent, Clyde took part in college activi-
ties, and made a host of friends at the
academy, several of whom are now in
Baylor. In athletics he established
himself as a junior college record-
holder of the two hundred and twenty-
dash, and was one of the fastest
in the state in the one hundred-
dash. His love for athletics was
one of his chief reasons for coming to
Baylor. He had high ambitions for
coming season in track, and those
who appreciate track looked upon him
as a valuable asset to this year's team.

Ward entered the freshman class at
Baylor in September of 1919. He im-
mediately became loved by all those
with whom he came in contact, and he
made a great number of friends,
among the boys and the girls.
He was a member of the Berean class
of the First Baptist church, and those
who were closely associated with him
rank very highly of his character,
as a student and as a student and
a Christian.

Although none of us understands his
sudden death, it is a great consolation
to know that he was a Chris-
tian. The student body and faculty
extend their deepest sympathy
to the bereaved family in this
hour.

Student Self-Government Association;

man class, and Horace K. Jackson,

representatives of Baylor.

day.—The Lariat, Baylor University,

Baylor University, Waco,
Jan. 20, 1920.

Mr. J. E. Flowers,
Yancey, Texas.
Dear Mr. Flowers:

In response to your request for
information concerning our departed
friend and schoolmate, Clyde Ward,
I am sending you, under separate
cover, a copy of "The Lariat," in
which there appears a brief sketch of
Clyde as he was known and will be
remembered in Baylor.

Having known Clyde for so brief a
period, there is probably little, if any
thing, that I might add to this article
that would be of interest to you; how-
ever I might make a few observations
which you will use or discard as you
wish.

Clyde was a splendid student, he
was devoted to his books; but also
partook of the various college activi-
ties which he considered beneficial.
He studied faithfully and conscientiously,
and in many instances, while other
students were wasting their time,
Clyde could be found in his room study-
ing. I understand that he had out-
lined his work for the entire four
years of his college course so as not to
waste any time.

Concerning his character, no words
are elaborate enough to explain the
fineness of it. Let it suffice to say
that in all places and at all times he
was a splendid Christian gentleman in
the truest sense of the word. He was
kind to his friends, and indeed all who
knew him were his friends, and he
knew not what it meant to have an
enemy. He was truly a Christian and
a gentleman.

As the "Lariat" carries an account
of his other phases of life it will be
useless for me to write more. Too
much cannot be said and too high com-
pliments cannot be used in eulogizing
the life of such a fine young man.

I would be indeed glad to hear from
you any time, Mr. Flowers, as I am
very fond of your fine community.

Sincerely,
JESSE E. FRANKLIN.

Big Value in Tires for Small Cars

Back of the manufacture of Goodyear Tires
for small cars is the same purpose to supply
high value in the product that is behind
the manufacture of the Goodyear Tires that
equip the most expensive automobiles built.

This purpose is expressed by the enormous
resources, extraordinary skill and scrupulous
care applied to the manufacture of Goodyear
Tires in the largest tire factory in the world
devoted solely to the 30x3-, 30x3 1/2-, and
31x4-inch sizes.

The effect of this endeavor is noted in the
fact that last year more cars using these sizes
were factory-equipped with Goodyear Tires
than with any other kind.

It is also noted in the fact that, if you own a
Ford, Chevrolet, Darr, Maxwell or other car
requiring the sizes mentioned, you can secure
Goodyear Tires and Goodyear Heavy Tourist
Tubes at the nearest Goodyear Service Station.

30x3 1/2 Goodyear Single-Cure

Goodyear Heavy Tourist Tubes are thick, strong tubes that
reinforce casings properly. Why risk a poor cheap tube with a
cheap tube? Goodyear Heavy Tourist Tubes cost little more
than tubes of less merit. 30x3 1/2 size in water- \$3.90

You Do More Work.

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

Often Tell Of Weak Kidneys. A Hondo Resident Shows You What To Do.

The sharp twinge of pain in the small of the back that strikes you after any sudden twist or awkward motion, may tell of weak kidneys. And there are often disturbances of the urine—too frequent urination, scalding or burning pain during passage, discolored urine and sediment.

Doan's Kidney Pills are prepared especially for weakened kidneys, kidney backache and urinary disorders—have proven their merit in thousands of cases. Doan's are endorsed throughout the civilized world—are recommended by Hondo residents.

Joe Huesser, Hondo, says: "I can highly recommend Doan's Kidney Pills for I know they are excellent. I suffered with my back and my kidneys bothered me a great deal. I had sharp knife-like pains in my kidneys every time I would move. I had to get up nights on account of the irregular action of my kidneys. The secretions burned in passage and were highly colored. A friend told me of Doan's Kidney Pills, so I used a box which cured the attack. I always use Doan's now when my back bothers me and they never fail to help me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Huesser had. Foster-Milburn Co. Mfrs., Buffalo, N. Y.
